

Record Store Day 2017 from Universal Music Australia

Blackstreet – No Diggity (Remixes)

“No Diggity” is undoubtedly one of the most well-loved R&B songs of all time, and we’re pleased to announce that we’re making this 90s classic available on wax once again for Record Store Day 2017. Previously this 12” remixes single was only available in the US, but we’ll be making this available to everyone, so play on, play on, play on, play on....

Sex Pistols – God Save Sex Pistols (coloured vinyl)

The original track listing for the album before it was ‘NMTB’, it has slightly different tracks and completely different artwork. 11 studio tracks (‘NMTB’ was 12). This does not feature ‘GSTQ’ or ‘Bodies’ but includes ‘Satellite’ (which was later the b-side of ‘Holidays in the Sun’).

Sublime – Badfish EP

Sublime spark up the 25th anniversary of 40 OZ TO FREEDOM with a first time on vinyl release of the BADFISH EP with expanded art and photos.

The Cure – Greatest Hits (picture disc)

Not just first time on vinyl for 2001's compilation, Greatest Hits, but first time on 2 x Picture Discs. Mastered by Robert Smith and housed in a die-cut gatefold sleeve. Artwork by the original design team at Stylo Rouge and features out-takes from the original photo shoot for the front cover.

The Cure – Acoustic Hits

First time on vinyl for the Cure's acoustic rendition of their Greatest Hits. This was a limited edition CD which accompanied the 2001 Greatest Hits compilation and has never appeared on vinyl let alone a picture disc. 2LP set housed in a die-cut gatefold sleeve with unique artwork by the original design company, Stylo Rouge.

The Who – Quadrophenia OST

'Parka' green-coloured vinyl replica reissue of the classic and seminal 1979 film soundtrack - includes 13 Who tracks and songs from the 60s mod era by James Brown, Booker T & The MGs, The Ronnetes and others.

T Rex – Electric Warrior

T Rex's seminal album Electric Warrior on a heavy weight 180g Gold Vinyl disc, with a special die cut sleeve with reversible inner.

Various Artists – Motown Funk

Whether Motown's house band, The Funk Brothers, were backing Marvin Gaye or The Temptations on their Psychedelic Soul, Blaxploitation soundtracks, Folk Funk or massive Soul hits gathered here, the results were always funky. This 2LP set will be pressed on see-through red vinyl and housed in a gatefold sleeve.

Various Artists – Northern Soul

More than 40 years after it first started the Northern Soul scene continues to entice new listeners and keep long standing fans enthralled. It has been a constant influence on fresh music from artists as diverse as Duffy, Amy Winehouse and Paul Weller. The 20 tracks here will give you an idea of just what all the fuss is about. Pressed on transparent red vinyl.
