MED079	0814867026314	Spectrum	Highs, Lows, and Heavenly Blows	LP	First time reissue on any format of the 1994 album by Spectrum. Spectrum is the project of Sonic Boom (ex-Spacemen 3 as well as Experimental Audio Research) and collaborators. Technically his 3rd album but the 2nd under the name Spectrum. Carrying on the signature sound exemplified on "Soul Kiss (Glide Divine)", "Highs, Lows, And Heavenly Blows" lulls the listener into a deep trance with it's droning and hypnotic tracks and treated vocals on top of a myriad of analog synths and Sonic's recognizable guitar treatments. The first track "Undo the Taboo" sets the stage for a meditative ride that doesn't let up until the last track. Absolutely crucial and long awaited reissue.

For the FIRST TIME ON VINYL (these recordings only received a limited CD release in the late nineties) OWS records proudly presents a deluxe color vinyl edition exclusively for Record Store Day 2018. Strictly limited to 1000 copies worldwide this release also comes with an insert containing lyrics, liner notes and rare photographic materials. Available in participating stores on 4/21

DE028	0795528002819	Gary Stewart	Mowtown	LP	5 years before "She's Acting Single (I'm Drinking Doubles)", future King Of The Honky Tonks' Gary Stewart was a staff writer at Forrester Hills Music and cutting mostly unsuccessful singles for Kapp and Decca records. In 1970, Jobette Music, the publishing arm of Motown, travelled to Nashville in hopes of getting more country artists to record their songs. Gary was hired as a demo singer to record them in a country style. The tapes were thought to be lost until Roy Dea heard the tape and began his long pursuit to get Gary a record deal, which he eventually did at RCA, where he produced Gary's biggest hits. The tapes were thought to be lost until recently, and have never been released or heard before.
DOC158lp	0656605145877	Kevin Morby & Waxahatchee	Farewell Transmission b/w Dark Don't Hide It	7"	
OPAL12-1	5060384613444	Brian Eno with Kevin Shields	The Weight Of History / Only Once Away My Son	12" single	2-track double A side 12". One track that was dropped online in October 2017 as part of the Adult Swim singles club ( <a href="https://www.youtube.com/watch?v=HJlMctpOFNU">https://www.youtube.com/watch?v=HJlMctpOFNU</a> ), and one unheard collaboration. "The unexpected, fully welcome, and deliriously successful pairing of professional ex-glam sound genius Brian Eno and his new sidekick, My Bloody Valentine noise sculptor Kevin Shields. Begging to be listened to on noise-cancelling headphones or very, very loud speakers, the duo blast off with a drum track that is instantly, almost comically subsumed into a nine-minute sound-cleanse of bells, drones, and a soaring rocket flare that may be a guitar. Ambient but hardly static, its tones and textures return throughout, as if tracing long and inaudibly developing melodies. Not immediately identifiable as either Eno or Shields' work, a rich, enveloping piece of music" - Pitchfork.
WAST055LP	5060384613376	Laraaji	Sun Transformations	1LP	<b>An exclusive new RSD album</b> comprising remixes and DJ edits of material from Laraaji's recent 'Sun Gong' and 'Bring On The Sun' LPs. Housed in a printed kraft board sleeve with full colour printed inner.
